

Wendy Toliver

Wendy Toliver earned her BA in Speech Communication/Broadcast from Colorado State University.

She's explored a variety of jobs, from impersonating Marilyn Monroe for singing telegrams to impersonating a computer geek at an ad agency.

Now she calls Eden, Utah home and lives with her husband, three little boys, two dogs, cat, crab, and an occasional mole.

When not working on her next novel, Wendy enjoys reading, skiing, acting, traveling, volunteering, and shooting hoops. Though she's never been mistaken for a Siren, she has been mistaken for the Wendy's hamburger girl.

Wendy is the author of:
